

INITIAL REGISTRATION PROCESS FOR AMND WINTER 2019 SEASON

STEP 1:

You should have received an email from the Club advising you that Winter trial forms have opened for next season. The registration process must be undertaken online via the MyNetball portal.

If you are unsure as to whether you have a Login ID, you can search for yourself on the MyNetball portal.

Find your details, by entering in one of these three fields and press Find:

- Participant ID,
- Email address or
- Personal details (name + DOB).

If you can find your details in our database, you'll be able to see if you have a Login ID. If the Status of your account shows "**Account Exists**", **then you have a Login ID** and it will display under the email address field. If your name is recorded on more than one occasion, look under Club/Assoc and locate 'Matrics'. Please Click on 'Reset Password' and an email will then generate and be sent to you asking you to change your Password (in this case, you would be setting up your Password). This is a once only action.

If the Status of your account shows "**Email Exists**", **then you don't have a Login ID yet**, and you will need to create a Login by selecting Create Login.
